Along the way, we'll ride past St Vincent Ferrer Catholic School, Kid's World, Trinity Lutheran School, S.D. Spady Elementary School, the Achievement Center and include sections of A1A and Atlantic Avenue in Downtown Delray.

Route Distances (Choice of 5-1/2 miles or 7-1/4 miles)

This route offers two distance choices both with an option to join the group for a brunch at Luna Rosa. The primary route is marked in purple and orange. Orange indicates we will be on the streets following traffic rules. Purple indicates we will be on sidewalks, following pedestrian rules.

The blue route indicates where riders choosing the 5-1/2 mile ride would return to the parking lot (starting point). If you are attending the brunch at Luna Rosa, you can find metered parking along A1A in front of Luna Rosa. Parking is \$1.5 / hour and the meter accepts quarters, dimes and nickels so bring lots of quarters.

For the full 7-1/4 mile route option, witches will continue back up Atlantic Avenue to Luna Rosa and return to the parking lot (starting point) after brunch.
